

# Easy Open Door System

- ) Only one right door handle, so no need to use both hands when opening.
- ) Longer handle provides better leverage when opening and closing, meaning that the door will open with a lighter pull.
- ) Rubber grip on the handle, provides a safer and more comfortable grip.
- ) Available on both sides or Removal of 2<sup>nd</sup> cam lock on left Door.
- ) Secure Welded Lock Box for additional security if needed.
- ) Installed on any Shipping Container with Factory Swing Doors.
